FOREWORD

Before white man set foot in Manchester, the civilization of the Podunk Indian prevailed in our town. Where our classes now meet, the Braves hunted for game; the Podunk women cooked succatash and "Injun bread" for their families. Where our streets now lie, Indians laid their trails. As we proudly pause to record our deeds, including the activities of our athletic teams, who are known as the "Indians" at Manchester High School, we wish to pay tribute to those who were here long before us, the Podunk Indians.

DEDICATION

To the tribe who welcomed the white man to Manchester, the Podunk Indians, this yearbook is dedicated. They were a peace-loving people as we are, fought their battles courageously as we must. Like all human beings, they had their faults and virtues; their dreams and hopes. They dedicated their lives to the creation of the first known civilization in our town. Today, we follow the trails they blazed, and the paths they trod.

THE LEGEND OF FORTY-EIGHT MOONS

FRESHMAN

Life proved to be very confusing those first few weeks when we were Freshman, especially with the M.H.S. day schedule in effect. New, also, at M.H.S. was Mr. Harry Maidment, instructor of Personal Economics.

Football and basketball didn't take any honors, but soccer broke with an even season and the swimming teams captured the C.C.I.L. crown.

"I Remember Mama," presented by Sock and Buskin, was a huge success as was "Antigone," the festival play which won the New England contest.

The High School World, Quill, and Somanhis staffs were hosts for the Scholastic Press Conference held here in the fall.

"The Spinsters of Lushe," "A Date With Barbara," and "The Creaking Stairs" were the three one-act plays presented by Paint and Powder.

Thus our Indians were off to a good start.

SOPHOMORE

1951 proved to be a superb year as far as sports were concerned. Football, cross country, swimming, rifle, track, and baseball all brought home C.C.I.L. crowns to their Alma Mater, good old M.H.S.

Sock and Buskin's annual play, "A Connecticut Yankee In King Arthur's Court," was enjoyed by all and was described as one of the club's best productions.

Mrs. Kokai Saffari was a guest at M.H.S. for several weeks. She spoke before many of the clubs, and her anecdotes on life in Iran, her native land, will ne'er be forgotten.

For the first time, Paint and Powder attempted a three-act play and was highly successful in the presentation of "Cheaper By The Dozen."

Our two years as underclassmen were over and the Class of '54 was moving into the lead.

JUNIOR

As Juniors we learned the trials and tribulations of the double-session program which was inaugurated due to the overcrowded conditions.

C.C.I.L. championships included soccer, cross country, rifle and golf, while the football and basketball teams had fair seasons.

Long to be remembered was "Father of the Bride," which was put on by Sock and Buskin, starring Lois Cooper. The band presented its first "Bop" Music Concert.

Prom time came around with Bob Provost and Gary Bogli serving as co-chairmen for the big event.

Donna LaVista won the Oratorical Contest, while Roger Peterson took away top honors at the annual Science Fair.

Campaign time arrived-complete with posters and tags. Bob Provost was elected to the presidency of the Student Council.

As our Junior Class President we chose Gary Bogli. Sandra Taggart and Nancy Cole attended Laurel Girls' State. Elected to Nutmeg Boys' State were Bob Johnson, Dick Farr, Jim Tatro and Jack Whitham, who served as Lieutenant Governor.

June 1952 brought us much closer to our goal. Our three years experience with M.H.S. traditions made us ready to lead our Indians onward to victory.

SENIOR

Our Senior class selected as its officers: President, Gary Bogli; Vice-President, Connie Moriarty; Secretary, Mel Cote; and Treasurer, Bill Ritchie.

Applause echoed through M.H.S. as the curtain fell on Sock and Buskin's "The Night of January 16". Craig Noren and Jack Loeffler had the leading roles.

Football, Soccer and Cross Country carried away C.C.I.L. crowns. For the first time in the history of the C.C.I.L. these three honors were won by one school, our own M.H.S.

"Midnight in Paris" — that was the theme of the Prom. Amid beautiful gowns and gay decorations, Helen Goss was crowned queen.

Barbara Dougan was crowned Miss Varsity M of 1953 under streamers of red and white. The Sock and Buskin, and Senior Reception formals held many happy memories for all attending.

A course in driving was offered for the first time. Students learned how to operate a car as well as the rules of the road. Many students received their licenses as a result of this course.

Nancy Cole received the Good Citizenship Award by the D.A.R.

Senior marching practice began in May. The traditional Class Picnic, Class Day and Gift Night followed in June. Our goal was attained when we received our diplomas at our biggest event — GRADUATION.

So ended life at M.H.S. for the CLASS OF 1954.

ALMA MATER

Manchester, Alma Mater.
All hail, all hail, to thee.
Thy precepts e're shall guide us
Onward to victory.

Thy praises loud shall sing.
Manchester, Alma Mater,
Accept our offering.

We love thee, old Manchester,
And for the Red and White,
Where e'er life's battles find us,
We'll always win the fight.

We'll ever guard thy honor;
Bright shall thy mem'ry be.

CLASS SONG

Now the doors swing open wide,
From the halls of wisdom tried;
We the class that bear thy name,
Bid farewell and wish thee fame;

Truth and honor learned from thee,
Dear old friends and faculty;
Give us light forever more,
We the class of Fifty-four.

SOMANHIS STAFF

"Tribe-Scribes"

Organizing the permanent record of clubs, sports, and class activities at Manchester High School was the work of the yearbook staff, which was divided into three groups.

The editorial staff, under the direction of Miss Ione Fellows, compiled the statistics and quotations, did club write-ups, scheduled senior and club pictures, secured candids, and proofread the yearbook. The staff held weekly meetings in the Recreation Building. Many committees were formed such as for the running commentary, the dummy, proofreading, and entertainment committees.

The work of the Art Staff, which was directed by Miss Hope Henderson, consisted of preparing the cover design, the dividing pages, and many appropriate illustrations in keeping with the yearbook theme, and arranging the candids.

Somanhis Advertising staff, under the supervision of Mr. Edward Ryder, secured advertisements and subscriptions that contributed immeasurably to the success of the publication.

Representatives of the staff attended the Connecticut Scholastic Press Convention held at Hartford in October, where they learned many new ideas for the book which were discussed and put into practice at their later meetings.

1954 officers were: Editor-in-chief, Priscilla Hill; Secretary, Joan Mankus.

SOMANHIS ADVERTISING

The Somanhis Advertising Staff, under the direction of Mr. Edward Ryder, was composed of student "salesmen" who solicited and obtained advertisements for the back of the yearbook. Every advertisement that the "salesmen" acquired helped reduce the price of the yearbook.

Due to the success of our student "salesmen" this year, the Somanhis was available to students for the same price as last year.

The Somanhis Advertising Staff wishes that the students of Manchester High School would patronize the merchants of Manchester who gave advertisements for the Somanhis.

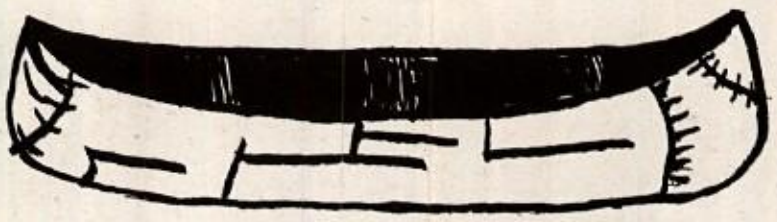
M.H.S. PUBLICATIONS

Without the help and the work of the Manchester Hiah School Publications Staff the publication of "Somanhis" and "Quill" would have been an impossibility. The staff is under the direction of Mr. Edward Ryder.

This staff solicited the various dealers throughout Manchester for advertisements. It also secured orders for the yearbook and "Quill," the bi-annual school magazine, and distributed them when they were finished.



HIGH SCHOOL WORLD

The High School World this year continued in its efforts to portray the varied activities of the school, both extra-curricular events and significant contributions to classes, in its Thursday appearances in the Manchester Evening Herald. Through its reporting of high school events the World helped to better the understanding between the people of Manchester and the students of Manchester High School.

Under the supervision of Miss Helen Estes, regular newspaper procedures were followed. Each member of the staff had a regular weekly beat and occasional special assignments. Co-editors-in-chief Patricia Campbell and Carolyn Bengston were responsible for assignments, make-up, and editing.

Representatives attended the annual Connecticut Scholastic Press Convention held at Hartford, where writing techniques for news stories, features, and editorials were discussed.

HUE HARMONEERS

The Hue Harmoneers, the junior-senior Art Club, directed by Miss Hope S. Henderson, was continued for a second year, as a separate group from the underclassman club. For their first meeting an initiation picnic was held at the home of Carol Foraker, a member of the club, for the combined clubs. A wonderful time was had by both clubs as it gave all of them a chance to get acquainted with the new members.

In the spring a group of members went to New York to make the club's annual art tour of Pratt Institute in Brooklyn, New York, and various other points of interest. Other meetings included guest speakers from Hartford Art School, who demonstrated portrait paintings, another from Pratt Institute in New York who spoke on art as a profession.

The officers for this year were: President, Mary Parmakian; Vice President, Eleanor Seelert; Secretary, Donna LaVista; Treasurer, Sandra Doutt; Program Chairman, Nancy Marshall.

PAINT SPOTS

The freshman-sophomore Art Club, which was under the direction of Miss Hope S. Henderson, continued this year despite the double sessions. Paintings and craft work, as well as studio drawings, were done at various meetings.

During the Christmas season, the freshman-sophomore Art Club combined with the junior-senior Art Club in painting pictures on the windows of the Manchester Memorial Hospital. In January the students participated in the Scholastic Art Contest.

The main function of the Squad was doing art projects requested by other high school departments. Occasional outside work such as posters, letterings, decorative or scenic paintings were done. This work was often done on a remunerative basis.

Planning the theme and decorating for the Manchester High School Prom was one of the largest projects done by the club. Members of the Art Service Squad also participated in the Scholastic Art Contest.

THE LIBRARY CLUB

The Library Club was a service club under the direction of Mrs. Evelyn Gerard, the school librarian. The library "pages" received training by performing such jobs as checking books in and out at the record desk, sending overdue notices, and sorting and shelving various books.

To qualify for the position of a library "page", each member must have volunteered two free periods a week and have had the desire to learn and work with other individuals and help them to become better acquainted with their library.

"Tag Day" highlighted the work of the club by obtaining money for new books. This year the Student Council worked with the library to achieve its goal. Miss Fellows' room 25M in the morning session and Miss Burke's room 25M in the afternoon session tied again for first place.

In the spring, the library "pages" went on their annual trip to New Haven. There they were taken on a conducted tour through the Yale Sterling Memorial Library and the Peabody Museum. After their conducted tour they dined at Yale's Woolsey Hall, and then left for New Haven State Teachers' College for their annual Nutmeg "020's" business meeting with other library "pages" from various schools all over the state.

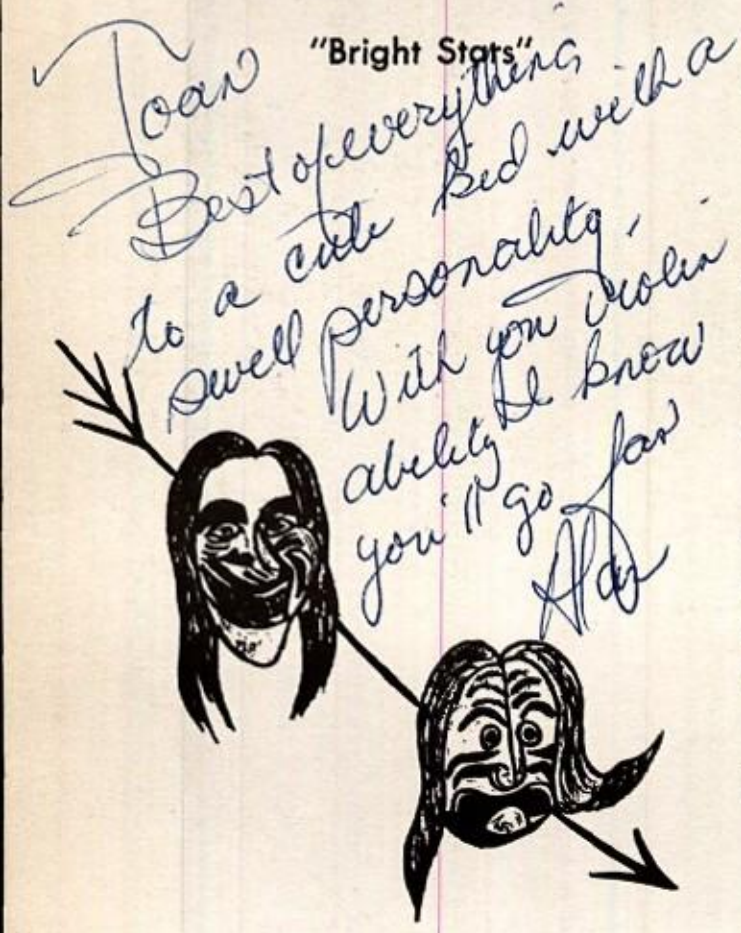
SOCK AND BUSKIN

"Bright Stars"



Sock and Buskin, the junior-senior dramatic club, under the direction of Mrs. Helen P. Skinner, began its regular activities in September with a picnic at Center Springs Lodge, at which time initiations were held.

The New York trip in October was the first major undertaking. On this trip the group saw the musical comedy, "Wonderful Town," starring Rosalind Russell. After the performance the club visited back stage and many students were privileged to see Miss Russell's dressing room and receive her photograph. A high spot of the trip was eating at "Toots Shor", where they met and obtained photographs from George Jessel.

The annual public performance, "The Night of January 16th," had a unique and interesting feature—the jury, needed in the play, was chosen from the audience. The play was an outstanding success, and the acting, especially that of Jack Loeffler, Craig Noren, and Lois Cooper, will long be remembered.

At bi-monthly meetings the club enjoyed such programs as: tape recordings of "Man Without A Country," and "Skipper Ireson's Ride"; original monologues and dialogues by members of the club, the one-act play, "The Physician In Spite of Himself," and a lecture on modern and current drama by Mr. Bowdoin of Parsons Theater. Especially enjoyed was the Christmas party and the University of Connecticut's arena-styled production of Moliere's "Tartuff".

In March, the Thespian banquet was held. At that time those who had earned 10 credits or the equivalent of one hundred hours work during the year, received the Thespian award. An adaptation of "Johnny Belinda" was chosen as the entry which was presented at the Connecticut Drama Festival. Sock and Buskin's formal dance was held in May.

The members of these two choirs participated this year in the Christmas concert, Spring concert, and in the Outdoor Festival, which was held in the latter part of the spring season. In all three of these concerts the boys' and girls' choirs joined with the A Cappella choirs, and in the Outdoor Festival they also joined with the Junior High School Choirs.

Although the double sessions have prevented the choirs from practicing and rehearsing together, Mr. Pearson has overcome this difficulty and proved it to us through the public performances he so successfully staged during the year of 1953-'54.

PROJECTIONIST CLUB

Projectionist Club is directed by Mr. Lalime and Miss Kellogg. Mr. Lalime instructs the students on how to use the equipment and care for it. Miss Kellogg assigns the students to the different rooms in the morning to run the projectors and assist in showing the films. In the afternoon Mr. Harrington has charge of assigning the students to the various rooms. Because of the double sessions the club has been divided; the freshman-sophomore meetings are held every Wednesday morning and the junior-senior meetings are held every afternoon at 12:30. Combining the two divisions there are 35 members.

In December the club sponsored a square dance at Waddell School. All who attended enjoyed it very much. During the week vacation in February some of the members took a trip to New York. They had hopes of seeing Radio City and Cinerama. Roller skating and showing movies at P.T.A. meetings and other social gatherings took up any time they might have had left, after such a busy schedule.

STAMP CLUB

The Manchester High School Stamp Club was directed by Mr. Edward Ryder. The club, which originated in 1952, met twice a month to discuss and to trade stamps. They also tried to learn the historical background of each stamp. In November some of the members traveled to New York City to attend the Stamp Exhibition.

The officers for this year were: President, Arthur Shorts; Vice-President, William Saimond; Secretary, Ann Roy; Treasurer, Henry Turek.

CHEERLEADERS

The cheerleaders did a fine job this year of promoting school spirit and creating enthusiasm for the Indian teams.

The squad consisted of ten junior and senior girls who worked under the direction of Miss Julia Case and who met twice a week for discussion and practice.

During the fall, they led cheers at the football and soccer games and during the winter season they cheered at the basketball games. Several pep rallies were conducted to create spirit and to boost the morale of the teams. At the same time, many new cheers and songs were introduced and taught to the students. 1953-'54 proved to be a successful year, not only for the Braves, but for the red and white Whoop-'ems!

FRENCH CLUB

At the monthly meetings of the Cercles Francais, which were held under the direction of Miss Jeanne Low and Miss Beulah Todd, many films, slides, and filmstrips were shown. These films were about Paris and different sections of France, such as the famous Chateaux region. Part of the meeting time was devoted to skits, reports, and activities requiring the use of the French language. The meetings were conducted in French as much as possible. Roll call was answered in various ways, such as naming famous French people, important cities in France, or by telling the way in which one had spent his vacation.

The main purpose of the French Club was to increase the students' knowledge and appreciation of France and French life and culture. The French Club had a very exciting and busy year during 1953-'54.

SPANISH I CLUB

Spanish Club which is directed by Miss Todd, held their meetings on the average of once a month, during class time. The purpose of the club is to acquaint the students with the life and customs of the Spanish people. During the first semester the following films were shown: "Why Study Foreign Languages", "Spanish Influence in the U. S.", "La Familia Saucheg", and "Tierra Mejicana". They also used records for the correct pronunciation of Spanish dialogues.

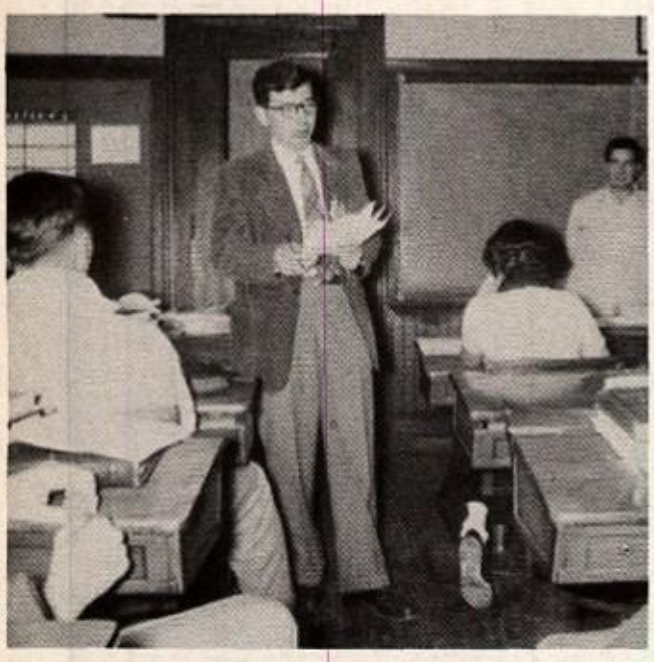
During the second semester, tape recordings were made by the students to help and increase their power of speaking and understanding the language. Other meetings included the showing of colored slides of Mexico, South America, and Central America, with correlating reports given by the students.



"Council of Chieftains"

STUDENT COUNCIL

The Student Council consisted of a group of students selected as representatives from their homerooms to promote better citizenship throughout the school, to further the interests of the students, and to unify and support all extra-curricular activities. This was achieved under the direction of Mr. George Emmerling during 1953-'54.

The meetings were held twice a month, with President Robert Provost presiding. Each council member worked on committees which carried on social affairs, drives, and helped to solve school problems.

This year, the Student Council sponsored the Junior Prom and many sport dances. The usual campaigns, such as the S.A.A., the Junior Red Cross, the March of Dimes, and the Library Tag Day, were successfully conducted. The council stood ready to work for the best interests of Manchester High School at all times.

Officers for the 1953-'54 year were: President, Robert Provost; Vice-President, Gary Bogli; Secretary, Rose Frechette; Treasurer, James Tatro.

NATIONAL HONOR SOCIETY

The F. A. Verplanck Chapter of the National Honor Society emphasized leadership, service, character, and scholarship, the four characteristics in which a student must excel in order to obtain membership.

In the scholastic field, 142 points by mid-year were required of sophomores, 220 were required of juniors, and seniors must have 280 points. The faculty voted on the students who had met the scholastic requirements, and then the members of the society voted on those chosen by the faculty. After a picnic in the early fall, officers were elected and activities for the year were discussed. Miss Doris Kibbe headed the faculty committee.

Officers for the year 1953-'54 were: President, James Tatro; Vice-President, Andrew Ansaldi; Secretary, Barbara Field; Treasurer, Roger Turkington; Senior Adviser, Robert Stone; Junior Adviser, John Leander.

VARSITY "M" CLUB

Ever striving to "bring together all varsity letter winners for promotion of true sportsmanship, good will, and fellowship in all endeavors," the Varsity "M" Club, under the direction of Mr. Wilfred J. Clarke, completed one of its most successful years since its start in 1948.

Meetings were held on the first and third Mondays of each month. At these meetings speakers were heard, movies seen, and sports of all kinds were played. The year's highlight of the Varsity "M" Club was the Varsity "M" Prom held in January at which time Barbara Dougan was chosen as Miss Varsity "M".

Officers for this year were: President, Jack Whitham; Vice-President, Mel Cote; Secretary, George Gentile; Treasurer, Gary Bogli.

BASKETBALL

Although 1953-54 wasn't a winning year, the boys showed wonderful sportsmanship and tried their utmost to win the games. Manager Mel Cote was actually the only holdover from the previous year's cage squad. Every other member of the team, including Coach Elgin Zatursky, experienced varsity competition for the first time.

The enormous task of rebuilding thus begun, was slow and painful. In the process, the Indians salvaged but two of the first fourteen games — wins over East Hartford and Middletown. The latter was the only victory in the home Armory.

Several fine players for the future have been developed during the season, including junior Moe Morhardt who led the team in scoring. Another bright spot in the season was the respectable record posted by the J. V. hoopsters.

FOOTBALL

1953 will long be remembered in the history of fall sports at Manchester High School. This banner season saw all three varsity teams capture C.C.I.L. titles for the first triple sweep in the league history. They dropped their opener with East Hartford 13 to 7, but then reeled off seven wins in a row; and captured the C.C.I.L. flag in the process.

The Red and White victories were at the expense of Meriden (27-14), Middletown (19-13), Windham (7-0), Webster, Mass. (14-6), Bristol (14-6), West Hartford (21-0), Weaver (26-13).

The team spirit so necessary to produce a winner was in large sparked by Co-captains Bill Ritchie and Dick Plagge.

CROSS COUNTRY

Coach Charles "Pete" Wigren rounded out twenty-two years of directing M.H.S. cross country teams with another very successful season. Included in the numerous accomplishments of the 1953 squad were victories in every dual and triangular meet on its slate and triumphs in the Eastern Connecticut High School Invitational Meet held at the University of Connecticut and the C.C.I.L. Meet held at New Britain Teacher's College. Topping all their list of achievements was the ninth State Championship won by an M.H.S. team.

Senior Roger Turkington and Junior Pete Close paced the harriers in every meet with one or the other taking top honor in nearly every race. Close placed second in the State Meet held at Wesleyan.

In two of their dual meets the Indian thin clads posted perfect 15 to 40 scores. One of these wins was at the expense of Hartford Bulkeley. The other came against Bristol when Turkington, Close and Glen Bradley breasted the tape in a triple tie.

Captain Adrian Michaud was prevented from taking an active part during much of the season due to a sprained ankle.

TRACK

"And that is what they did."

The 1953 edition of the Manchester High track teams had only a mediocre season but merely in comparison with many of the past Wigren-coached track and field outfits. Although the team won no championships, led by Captain Marshall Aitken, they were victorious in meets with Weaver, Bulkeley, Hartford Public and Windham. New Britain, West Hartford and Middletown proved more difficult and posted victories over the locals.

The Indians also placed in the first half of the teams entered in the C.C.I.L. meet, the Connecticut Relays at Storrs and the State meet at New Haven.

SOCCER

"Soccer, Football, and Cross Country"

Soccer at Manchester High School enjoyed its best season in the school's history in 1953. Coach Dick Danielson's charges set many records and accomplished a number of "firsts" as they captured the first C.C.I.L. championship since 1937. Its record of nine wins, two losses and a tie was the best ever posted by a Red and White squad.

The tie was at the hands of Ellsworth, and the two losses came at the hands of arch-rival Hall of West Hartford. The Indians triumphed over the Warriors at Mt. Nebo by a 1 to 0 score.

On the other hand two victories over both Bristol and Meriden insured the booters of the C.C.I.L. flag, sparked by Co-captains, Howie Lautenbach and Jack Whitham.

The J. V. booters, coached by John Palmer, also enjoyed a good season, posting a record of five wins, a loss and a tie. The loss was to a team composed of players from the varsity squad while the deadlock was with Ellsworth.

SWIMMING TEAM

"Became our most glorious crowns."

Coach Richard Sollanek's swimming team gained their way to a three-way tie for the C.C.I.L. championship. During the season six records were broken — one being a state record. Co-captains, Tom Smith and Curt Wright, paced the local natators to six victories, but Meriden, Crosby, Sacred Heart, and Torrington all sunk the Indians. Wright chalked up another two records when he posted a mark of 2:06.3 in the 200 yard freestyle and :55.8 in the 100 yard freestyle.

In spite of the slow start, the Red and White Tankers had a successful conclusion to the season.

RIFLE TEAM

"It was an unheard of thing — three titles in a single year."

After getting off to a slow start, the Manchester High Rifle team greatly improved and ended their season with a record of five wins and six losses. The squad consisted primarily of first-year shooters and the prospects for next year's team are good.

Captained by "Ron" Seavey, the M.H.S. Riflemen were the first team in the history of the school to defeat Hamden. Tom Flaherty was the individual champion in the C.C.I.L. and Ray Gagliardone took the honors for team championship.

Coached by Mr. Gilbert Hunt, the team concluded their season by taking high honors in the state meet at New Haven.

BASEBALL

"But our Manchester Indians did it — In the year of '54!"

Coach Tom Kelley's 1953 baseball team started their season with all the ear-marks of a winner. Captain Pete Maneggia pitched a five hit 10 to 2 victory over Meriden in the opener. He followed it up with a three-hit shutout win over Windham. Bob Biardi matched this performance by blanking Middletown 8 to 0 in the season's third game. Tragedy befell the Indians in this contest, however. Jim Roach, the leading hitter of the previous season and third baseman, was injured while making a diving catch and lost for the rest of the season.

Nevertheless, the Red and White nine posted two more wins before the tide turned. The locals dropped the next three contests, and faltering in the stretch, they stumbled home with an overall record of seven wins and seven losses.

Two of the losses, however, were heartbreakers. Windham edged the Indians by a 2 to 1 score, and it took Meriden eleven innings to eke out a 6 to 5 win. On the other hand Rockville proved a soft touch to the Red and White. The Indians had a field day in their second encounter with the Rockville nine. The massacre was halted after seven frames, but not before the locals had sent twenty-four men across the plate and had held the opposition scoreless.

Pete Maneggia led the pitchers and Roy McGuire topped the hitters for the season.

GOLF

Lawrence Perry, serving his first term as mentor of the M.H.S. golf team, was rewarded by his charges with a C.C.I.L. championship. Led by Captain Danny DeMartin, a fine squad that included Ronnie Watts, Bob Peterson, Bob Upton and Bob Stone, numbered Bristol, Meriden, Windham, and Hall among their victims.

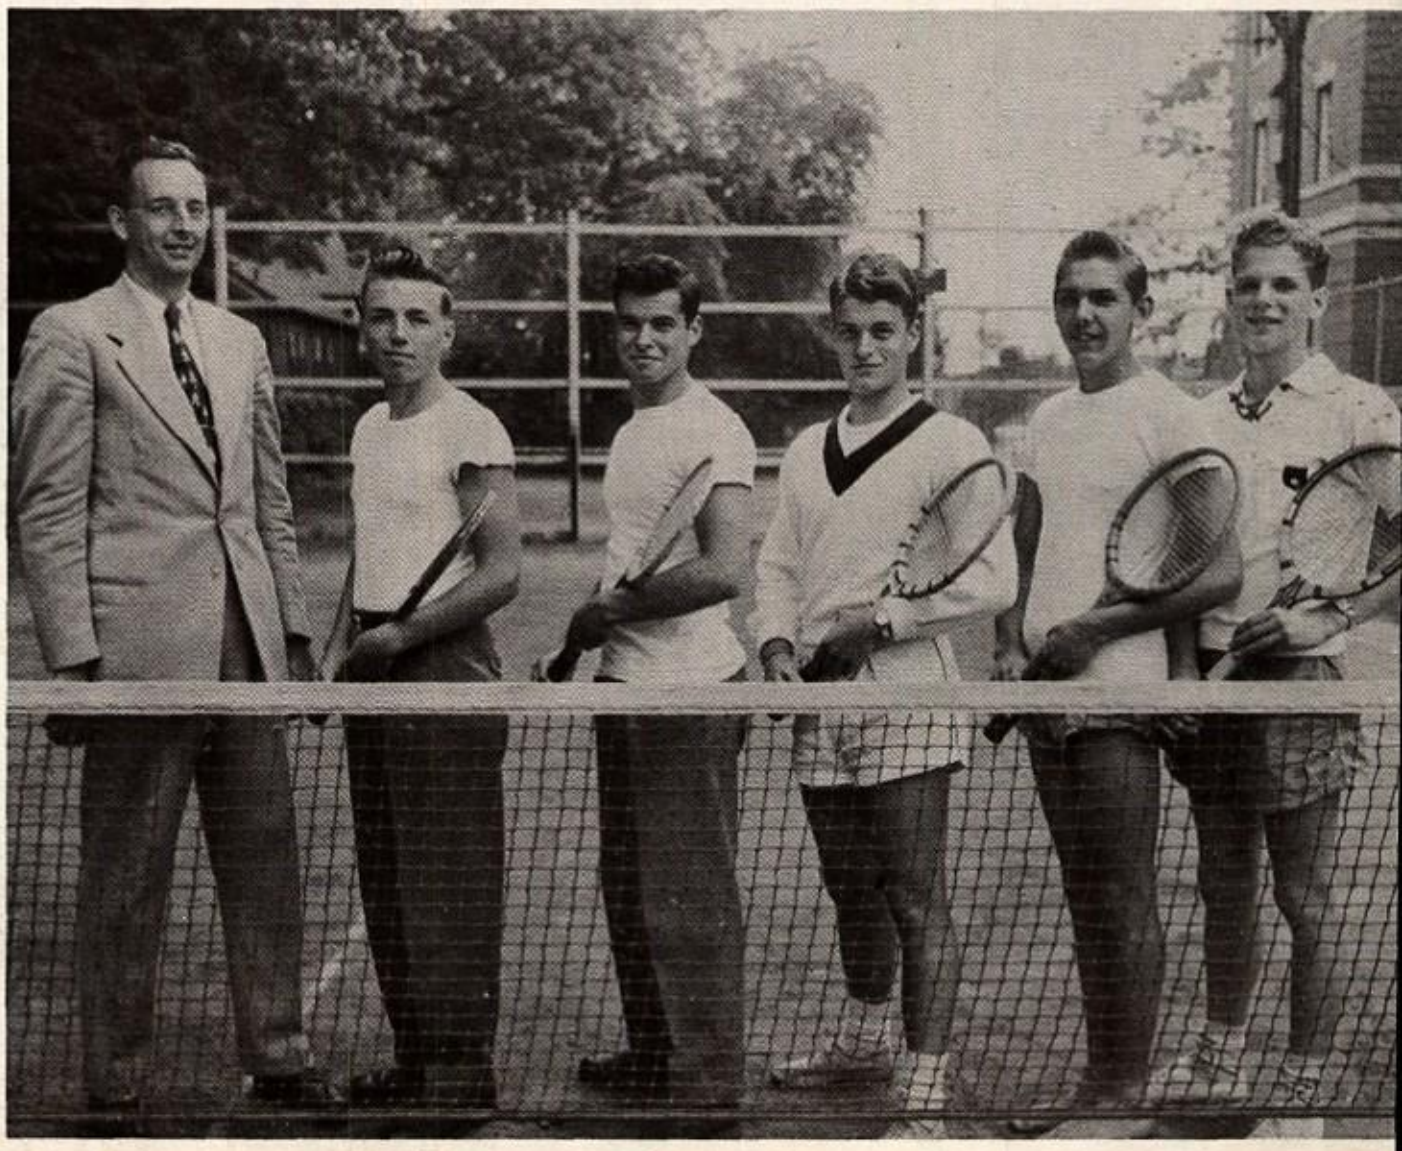
TENNIS

Once again the Manchester High tennis team fell victim to the West Hartford jinx. Twice the Hall netmen downed the Indians to capture the C.C.I.L. title, leaving the local squad in the runner-up spot once again.

Otherwise Richard Danielson's first season (due to double sessions) as tennis coach proved quite successful.

In the State Tourney, Jim Collins, who had paced the team all season, battled all the way to the final round before bowing out. Mickey Fendell and Jimmy Faye also participated but were eliminated in the earlier rounds.

First row: (left to right) Mr. Danielson, R. Faye, M. Fendell, J. Collins, J. Halaburdo, W. Bayer.



GIRLS SPORTS

Soccer, tennis, archery, bowling, volleyball, and softball were the many after school sports offered this year at Manchester High School. These sports were under the supervision of Miss Case and Miss Peterson.

Soccer headed the list of the fall sports with one of the largest groups coming out for practice. Techniques of kicking and handling the ball, along with teamwork, were learned at these practices.

Participants in tennis learned the right method of serving and hitting the ball, while those interested in archery were able to practice hitting the bull's eye. The tips on tennis and archery were greatly appreciated by both beginners and veterans of both sports.

Girls who took part in basketball this year participated in a Round Robin Tournament. The captains of the four teams were Peggy Carter, Peggy Erickson, Peggy Lynch and Betty White with Peggy Erickson's team winning the most games. A group of these enthusiastic players went to New Britain to play against three New Britain teams in a Play Day held in February.

Bowling, a favorite sport of many, was held two days a week for the benefit of those girls who had six period classes. Many girls were very satisfied in seeing their scores climb steadily from the time they began this sport until they finished.

The spring season brought many willing fans out onto the field to practice up on their fielding, pitching, and hitting, and to occasionally play a game or two. In volleyball, another spring sport, the girls practiced serving and scoring.

The end of volleyball and softball brought the close of school, and thus ended another busy and highly successful sports year at Manchester High School.

The girls are champs, too!

GIRLS LEADERS' CLUB

The Junior-Senior Girls Leaders' Club under the direction of Miss Case, and the Freshman-Sophomore Girls Leaders' Club, under the direction of Miss Peterson, both had a highly successful year. The club offered opportunities for training in leadership to any girl who was interested in sports. Any freshman, sophomore, junior, or senior, was eligible for membership, providing she maintained a "C" average in all her academic subjects and a "B" average in gym. Each leader must have participated in at least one sport every season. Fifty points were given toward athletic credit for participation in the club.

A sport's night was planned for the early spring which included such groups as folk dancing, square dancing, a Bloomer Girl gym class, and a modern gym class. The annual co-rec night with the Varsity "M" Club was also held in the spring.

The officers of the club for the year were: President, Peggy Carter; Vice-President, Helen Goss; Secretary-Treasurer, Mary Parmakian.

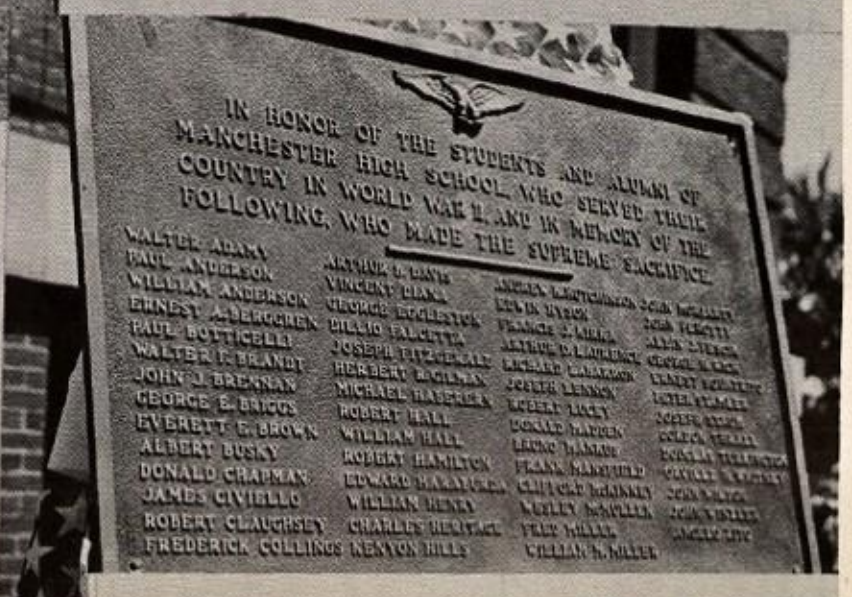
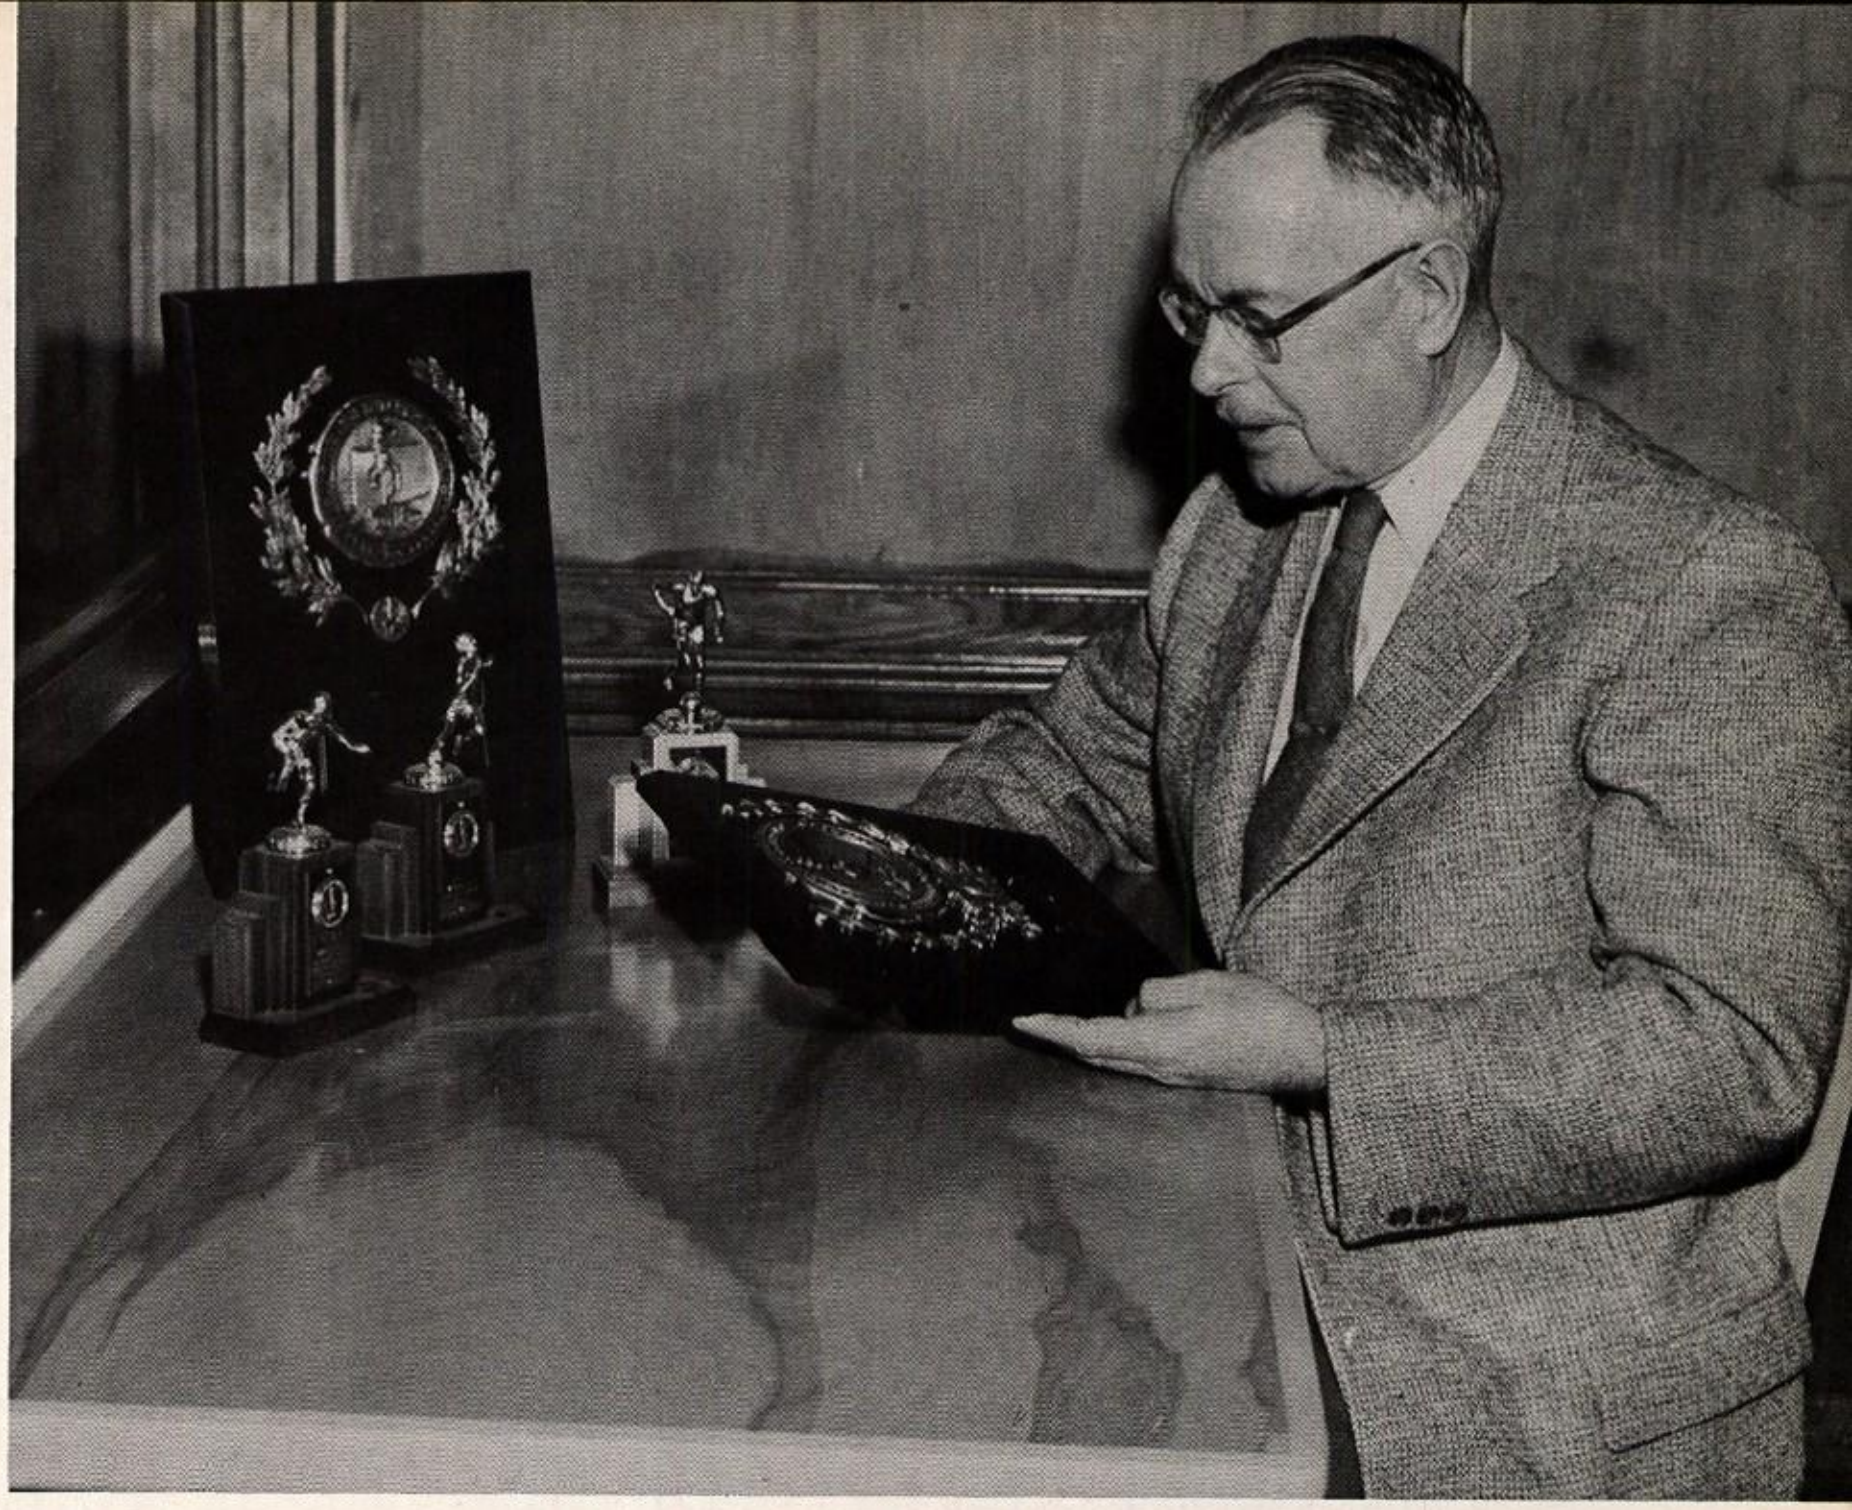
On May 29, 1953, Kathleen McMullen unveiled a bronze plaque in memory of the servicemen from Manchester High School who sacrificed their lives for our country.





OUR REWARD

Excellent teamwork, good leadership, and wonderful school spirit — these are the most important factors in gaining the C.C.I.L. crowns. Our principal, Mr. Edson Bailey, also our friend and advisor, proudly surveyed the trophies won by the M.H.S. Indians.
